DULCE DE LECHE CAKES

A traditional and authentic Latin-inspired coffee cake crafted with authentic dulce de leche baked directly into the batter for rich, caramelized flavor in every bite. Unlike cakes that rely on fillings or toppings, the dulce de leche is incorporated throughout the cake, creating a moist, tender crumb and deep, homemade taste.

Available in a variety of finishes to suit any occasion. Each variation delivers the perfect balance of sweetness, texture, and indulgence while showcasing the cake's rich dulce de leche flavor.

Perfect for breakfast, brunch, dessert, café programs, or alongside a cup of coffee.
